The Producers Circle

Membership Details

EAT. SIP. LISTEN. GIVE.

As a member of The Producers Circle you're more than just a VIP.

You become an integral part of euphoria, you help support our mission, and you get a customized experience unlike any other.

When is euphoria?

Our 14th annual festival will take place

SEPTEMBER 19-22, 2019

We also host events throughout the year including 3 pre-events in February, April & July, along with numerous dinners, networking opportunities and educational classes.

MORE THAN CRITICALLY ACCLAIMED FOOD

A MISSION. A VISION. A DEDICATION TO EXCELLENCE.

While euphoria shines a spotlight on culinary excellence and the charm for which Greenville is known, we also exist to have a lasting impact on our community. Proceeds from euphoria are distributed through grants to charitable organizations that focus on providing food and hunger relief, health initiatives, education through music or arts, and support for children. We also partner annually with Greenville County Schools to host the "Healthy Lunchtime Throwdown"- a friendly competition between aspiring young chefs with Michelin-starred chefs at their side.
